E-CIGARETTES

SMOKESCREEN OR CLEAN STREAM

YOU BE THE JUDGE

Wednesday April 30th
9:30 to 11:00 am
27 Warren Street, Somerville
First Floor Conference Room

This workshop will include a panel presentation with professionals from the Steeplechase Cancer Center Tobacco Quit Center and NJ GASP (Global Advisors on Smokefree Policy) followed by Q&A and discussion. Additional resources will be available from the American Cancer Society. This workshop will explore:

- ⊗ E-cigarettes: what they are and how they are used
- ⊗ Safety and health issues
- ⊗ Role in proven smoking cessation treatment programs
- ⊗ Regulatory concerns & enforcement issues under New Jersey's Smoke-Free Air Act

Light breakfast provided

Registration Required
